

Here is Walking Way Etap with map Point to Point, you can Choose your own direction to Walking

Etap 1 : Fethiye / Kayakoy / Oludeniz

These days we know each other and our performance creates the basis of being a team. Starting to walk along the front of the graves of Fethiye King Amintas. Walking along the stone-paved path of the ancient Romans. Walking through the Greek village of Kayakoy which is protected by UNESCO.

At noon we eat our dinner at the table of an authentic traditional village house in Kadakoy. From here we walk along the path down to Olu Deniz. This walk takes 7-8 hours. From Ölüdeniz we will transfer back to our hotel.

Etap 2 : Ovacik / Faralya

We will start to walk from Ovacik to Faralya which takes roughly 5 hour. Appro 2 hours climbing and 1½ hours level walking. Here you can see Ölüdeniz and the paragliders. The next 1½ hours is downhill to Faralya. In Faralya we have the beautiful butterfly valley. On a clear day, if we are lucky, you can see the island of Rodos and in the evening you can enjoy the sunset. This evening we will stay in Faralya. (If you wish to visit the butterfly valley and see the butterflies and the beach you can stay 1 more day in Faralya), or you can see butterfly valley the next morning before we start the walk to Kabak.

Etap 3 : Faralya / Kabak

We will start to walk from Faralya to Kabak. This is shorter way taking roughly 2-3 hour. It starts with 30 minutes climbing and approx 1 hour level walking then 1 hour steadily downhill to Kabak. Along the way you will see a nice view of Kabak beach, also you can swimming in Kabak Beach and then we stay in Kabak either in the village or near to the beach, which ever you wish to do.

Etap 4 : Kabak / Alınca

We will start to walk from Kabak to Alınca which will take 3½ to 4 hours and walk upwards from 100metres to 850 metres above sea level. On the way up we will pass through green mountains and pine valleys. As you look back you can see the Kabak valley and the turquoise Mediterranean. Alınca also has good views of the beach and surrounding area. We will stay overnight here.

Etap 5 : Faralya / Kabak / Alınca

We will start to walk from Faralya to Kabak. This is shorter way taking roughly 2-3 hour. It starts with 30 minutes climbing and approx 1 hour level walking then 1 hour steadily downhill to Kabak. Along the way you will see a nice view of Kabak beach, we have lunch in the village (also you can swimming in Kabak Beach). After the lunch we will start to walk from Kabak to Alınca which will take 3½ to 4 hours and walk upwards from 100metres to 850 metres above sea level. On the way up we will pass through green mountains and pine valleys. As you look back you can see the Kabak valley and the turquoise Mediterranean. Alınca also has good views of the beach and surrounding area. We will stay overnight here. Note: this walk is longer one.

Etap 6 : Alınca / Gey

We will start from Alınca to Gey which will take roughly 2½ hours. 30 minutes downhill and 45 minutes level then 1 hour climbing. Gey is a typical Turkish village resting in the hills and from here if you wish you can go down sea, but dont forget you have to climb up again to the village. This evening we will stay in Mayor's house which has a lovely view of Yediburunlar.

Etap 7 : Gey / Gavuragli

We will start to walk from Gey to Gavuragli. This stage takes roughly 6-7 hour, mainly downhill, and on the way down to Gavuragli you can see Xanthos, Letoon and 18km long Patara beach, a truly unforgettable view. From Gavuragli we will transfer to Patara by bus and stay in Patara.

Etap 8 : Alınca / Bogazici / Bel / Gavuragli

From Alınca we will take you 15 minutes by car to Bogazici. From there we start to walk to Sidyama which takes 2 hours and have lunch in the village house. After lunch we will transfer by car 20 minutes to Bel and start our walk from Bel to Gaverieli, approx 4 hours downhill. On the way you can see Xanthos, Letoon and 18km long Patara beach, a truly unforgettable view. From Gavuragli we will transfer to Patara by bus and stay in Patara.
